## OUR PROMISE

"We guarantee that you'll love your wedding music video so much you will not be able to stop watching it or stop showing all of your friends and family or we will refund your investment. That's how confident we are about giving you a beautiful, custom film to watch forever."

*We managed to watch the video in a computer tonight.*

*We are very happy about it. We think you managed to capture well the essence of our wedding and the music fits well the sequences and shots. We shared it with some family tonight and we are looking forward to watch the long one with the rest of the family. The work put together in this video is reflective of the professionalism of your team and the mastery you have attained in your art.*

Greetings from South America,  
Marcelo & Marwa – Dec 9, 2015

*We couldn't be more happy and I think we might watch it again tonight!!!! THANK YOU THANK YOU  
THANK YOU*
